Please print this page for your records. Please note that if you come earlier than the times listed, you may need to wait slightly so that we are ready to receive all campers. Meetings will begin promptly at the time listed. If possible, please arrive a few minutes ahead of time so that we can get everyone checked in quickly.

1. Please be aware of your check-in time and be prepared to stay during the transition period at camp (approximately 1.5 hours). **If you have questions, find a Camp Director BEFORE leaving!**
2. **PLEASE REVIEW PACKING LIST.**
3. **ALL MEDICATIONS MUST BE CONTAINED IN BLISTER PACKS.**

The balance of camp tuition is due before May 1st. Cash or checks only please. If a 3rd party is paying for your child's camp, please be in contact with them on this matter. We understand that in certain cases, an invoice will need to be submitted after camp but please contact us so that arrangements can be made. If you have forms that need to be submitted (IE medical information, physician statement, etc.), please submit online with your CampDocs portal as soon as possible. **Submitting the FULL registration and FULL balance is the only way to secure your camper's spot. We expect all sessions to fill.**

Please expect to stay on site for about 1.5 hours at check-in. This will aid in transition, allow you to meet the counselors and nursing staff, attend the parent meeting, ask a Camp Director questions and tour the facility. Lunch is not provided the first day of camp. Before leaving, let us know if we can help! We look forward to hosting your child at Camp of Champs!
